The Modoc is an exciting destination for those interested in history and archeology. The Forest is home to more than 300 species of wildlife, including the rocky mountain mule deer, pronghorn antelope, and Canada geese. A wild horse and burro territory is located in the Devil's Garden and Doublehead Ranger Districts. The Pacific Flyway for migratory waterfowl crosses directly over the Modoc National Forest. Additionally, because of the varied landscape, the Forest hosts an abundance of diverse plant life.

The South Warner Wilderness offers backpackers and horseback riders 79 miles of trails in the 70,385 acres. Winter recreation is available at the Cedar Pass Snow Park, 15 miles east of Alturas. A snowmobile trailhead is located at the Doorknob Snow Park, 1 ½ miles south of the Lava Beds National Monument.
